

READY-TO-USE SOCIAL MEDIA MESSAGES

Patients' Hats Off to Nurses Initiative

International
Nurses Day

12 May
2026

Use these ready-to-post social media messages to recognize and celebrate nurses on International Nurses Day. These messages can be shared by patient organizations, nursing associations, healthcare partners, and supporters as part of the Patients' Hats Off to Nurses Initiative. You may use them as they are or adapt them to reflect your organization, country, community, or local nursing workforce.

Empowered Nurses Save Lives.

Below are five ready-made messages you can use to celebrate nurses and join the Patients' Hats Off to Nurses Initiative.

1- This International Nurses Day, we celebrate nurses from the patient perspective. Nurses bring comfort, dignity, trust, and safety into healthcare every day. Hats off to nurses everywhere.

#PatientsHatsOffToNurses #InternationalNursesDay #ThankYouNurses #IND2026

2- Nurses make care human. They listen, support, guide, and stand with patients during some of the most important moments of their healthcare journey. Today, we honour their care and commitment.

#PatientsHatsOffToNurses #ThankYouNurses #PatientVoice #NursesMatter

3- Behind every safe and compassionate care experience, nurses play an essential role. Their attention, communication, and action help protect patients and strengthen trust in healthcare.

#PatientSafety #ThankYouNurses #PatientsHatsOffToNurses #InternationalNursesDay

4- The International Nurses Day 2026 theme reminds us: Our Nurses. Our Future. Empowered Nurses Save Lives. When nurses are supported, patients and health systems benefit.

#OurNursesOurFuture #EmpoweredNursesSaveLives #IND2026 #PatientsHatsOffToNurses

5- Today, we say thank you to nurses everywhere. Your care is seen, valued, and remembered by patients, families, and communities around the world.

#ThankYouNurses #PatientsHatsOffToNurses #InternationalNursesDay #OurNursesOurFuture

Accompany your message with one of the ready-to-use campaign visuals or social media posters available in the Patients' Hats Off to Nurses Initiative Toolkit.
